Dear Friends

The Department of Hematology, PGIMER, Chandigarh will be organizing the 5th Annual Conference of the Molecular Pathology Association of India (MPAI - 2016) and International Symposium "Integration of Genetics and Genomics in Laboratory Medicine" on March 12th - 13th, 2016 at the Postgraduate Institute of Medical Education and Research, Chandigarh, India.

This Conference will focus on the Molecular Diagnosis and Prognosis of Solid Tumors, Hematological Oncology, Infectious Diseases and Genetic Diseases using traditional and recent DNA and RNA based techniques like Next Generation Sequencing, Digital PCR, Imaging, Microfluidics, Massarrays, Microarrays, Fragment Analysis, Sanger Sequencing, Multiplex Ligation Probe Assay, etc. This event aims to enhance scientific knowledge in the field of Molecular Pathology and Laboratory Medicine.

Running alongside the Conference will be five parallel workshops on 10th - 11th March. An Exhibition covering the latest technological advances within these fields will be showcased. We look forward to welcoming you at the Conference and Exhibition and hope that the event will be both informative and enjoyable.

Hoping for your active participation to make this event a successful one.
